“ The world loses another fine man with my brother's passing. He will never truly know the impact that he had on the lives of those he knew, and how thankful we are to have known him. I will miss him deeply, but also know that he no longer suffers.

Thank you, Ed, for being my brother and I know that I will definitely see you again someday. Give Mom and Dad a big hug for me.

“ I worked with Ed at RRD for many years. Ed was a great guy who spoke often of his daughter and grandkids. He also shared stories of hiking and his fellow 4 legged companions. So sorry to hear of Ed's passing as we had moved away and I will say had not spoken with Ed in sometime. Prayers and condolences for Ed's family!
