“ Our family lived Marie. We visited with her every time we came back to Illinois. She was one of the most precious ladies. Loved her with all my heart. We spent hours with her in February and planned another visit this spring. Wish I would of known she had passed.
Love you Marie

“ I worked with Marie in 1986 as a new Nursing graduate. She taught me a lot about working with people. She was a wonderful person and a great Nurse.

“ Marie was bridesmaid at my wedding and my husband and I loved her dearly. She gave me comfort after Karl died and I didn't know she had gotten sick again
