“ *Ada will be missed by all who knew her. We remembered how she traveled miles to meet us when our vehicle broke down just to give us a hug. Always a kind word and smile to light up your day.*

“ *My mother and aunt Virgie were close sisters and Millie's family after she was married lived close to the Metcalf's so the two families remained close. Uncle Art and Aunt Virgie's home also became my home for about one year after I graduated from high school. I worked at the Brown Shoe Co. in Sullivan and traveled back and forth from their home. I learned to milk cows, help around the farm and become a part of the Metcalf family. Ada became a close "sister" and we will miss her smiles and love!*
