“ Keith and family. Many years ago I worked at bath & body works and she would come in to shop. She was so lovely, and always so kind and pleasant. She always impressed me because there's a very clicky upper class group of people in Mattoon when you are an outsider and she never subscribed to that kind of energy. May the universe devour her with comfort and peace and an abundance of love. May her children, go out and conquer the world and make their dreams come true in her honor.
