“ So sad that I missed this service. Ann & I worked many years in medical records. She was a mentor for. She always cared deeply for her family. I remember when Jack was in service she always was always telling us they were waiting for a phone call from him and she was always telling us about the family. She would take Wed AM office to babysit with grand kids. She loved her family. Take Care. Bill & Janice Krietemeyer

Thinking of you all today! So happy to have known your sweet family, to have spent hours together as kids, and to have seen Jane and Jean this past Saturday. My joy! ☐
