“ *We are so sorry to hear about Ashley. We will always remember the night that she was our son's date for a high school dance...she was so beautiful in her dress, and excited about life! Then, years later, we had the pleasure of selling her a vehicle when she was the mother of two little ones. She adored those babies, and was so excited about the new van she was going to drive them around in. We hadn't seen Ashley for several years, but we know from her family, that she has left a lasting legacy for her children, family, and friends. Our hearts and prayers go out to all who loved her.*

“ I know for certain that we never lose the people we love, even to death.  
They continue to participate in every act, thought and decision we make.  
Their love leaves an indelible imprint in our memories.  
We find comfort in knowing that our lives have been enriched by having shared their love.
