“ *Barb and I were really close as kids. I hate that we both became so busy with our families that we drifted apart as adults. To Dave, Aunt Ruth and the kids, our heartfelt sympathies and prayers go out to you all.*

“ I remember the birth of each of your precious children and what a wonderful Mother, how caring and she always found time for everyone! \r\nBarb and I had those trips (without the kids or spouses) to K's Merchandise to shop and pick a beautiful piece of "Byrds" crystal for her collection and for me whatever I liked -she knew each piece that you got her Dave and her face always shined when she showed me the ones you gave her for whatever occasion or just because\r\n\r\nIn my heart she will always be remembered for the kind and loving beautiful person she was.\r\n
