“ *Brad will be deeply missed. I would like to extend my sympathies and my sorrow for this loss of a great young man. The Good Lord took Brad from all of us at a time we would selfishly say is too soon...God needed Brad in Heaven with Him. As hard as it is to let him go and not be able to see him everyday, We must know in our hearts that he is walking beside the Lord at this very moment, watching down on everyone and is ok. Whether he was 33 or 93, he is where we all work to get to and That is in Heaven. I hope we can all have some level of peace in our hearts knowing this.*
