“ *I worked with Brandy at United Graphics for many years starting back in 2002. I was an independent sales rep and Brandy was the customer service rep that took care of all my accounts. She was the absolute best! I could always count on her and she did everything she could to help the customers, and me. We were a really good team together. I know how much she loved her grand kids. She would occasionally send me photos and give updates. She was so proud of them. I always enjoyed seeing those pictures. Rest in peace dear friend.*
