“ *So sorry to hear about "Big Red". I got to know Red when I started working at Associated Spring in "77". He was a good man and great person, and a pretty good athlete too. He had a great personality and was fun to be around. Had a great time playing horseshoes with him on break and dinner and playing basketball with him and the other guys from work at Hawthorn gym. He always had a good word and liked his Redbirds. My thoughts and prayers go out to the family during this time of loss. He will be missed. Alan Dill*
