“ My Aunt Corky was always smiling and very humble. As a child and young adult, I remember she talked with me, not to me. I loved her personality. And she followed in Grandma's footsteps as an excellent cook. My family LOVES Aunt Corky's Easy Chocolate Cake. She is the only person I know who could bake a delicious angel food cake from "scratch"! I was blessed to have her in my life and to be able to call her my aunt.
