“ *My thoughts and prayers are with your family today. I was blessed to be able to work for Mr. Pilson, although he may have a different response! He was a great leader and always had genuine interest in his staff. His hard work and legacy will not be forgotten,*

“ Thinking of you and sending our sincere sympathy. It’s kind of neat that we all grew up in the same neighborhood in Arcola! Although I was the “little kid” on the block, I remember thinking that Danny was that “cute boy down the street.” And, there was another guy (Dick) that lived across the street from me, who I thought was “kind of cute”. Turns out that Diana married Danny and I married Dick! Funny how things work out. It’s just nice to have fond memories, of which I know you have many of Danny!
Keeping all of your family in our prayers. Barb and Dick

The entire community shares the grief the family is experiencing. He was/is a great person. I respected him as a father, man, leader and my boss. I will always remember the moments we shared and experienced work and life with him. My heart goes out to his family members and wife. My sincere sympathy.
