“ *David you were an awesome friend and childhood boyfriend at times. We had great times together til we started growing up. I'll see you on the other side friend.*

“ *I met him at Lender's Bagel while there for an interview, and he made a joke (we share a first and last name) that made me feel so much better about being there.*

My interaction with him was brief, but lasting.

“ *We have know Dave since hiring in at Lenders Bages in 1991. Willie, Dave and I were a few of the group that remained till I moved on to Kraft in Champaign but Dave was special person. Our conversations would be about his trucks and also old cars. Dave was so easy going, never knew him to be agressive at any time. I watched for him as I would leave Mattoon to go to work as we were on the same shift. Will miss him.*
