“ I will greatly miss my June Bug. She was such a wonderful person that all of us have had the privilege to know. I know she adored her family and would talk to much about Melissa and how she loved the candies and snacks she would bring in or about her grandson picking her up and taking her out. She talked so much about them and how proud she was of them! I'm going to miss our nights chatting about westerns and actors and getting her some beef tacos from Taco Bell when she had those cravings! She will truly be missed and it won't be the same without her. My condolences to the family, know your in my thoughts and prayers and that she will truly be missed.

“ Fun memories of June, back when I was younger I went to the Oasis club. I was not 21 and she would not allow me to stay with my Aunt Blanche and uncle Clarence Shutts. Later in life we had laughed about this. June's Been a lovely friend. May she Rest In Peace.
