“ When I think about some of the people I most admired and looked up to in my life, my Uncle Don would be close to the top of the list. I have so many wonderful memories of the times I would spend with him and Aunt Donna. My Uncle and Aunt were more like a dad and mom to me in every way. They had a great impact on my life, they were so full of love, had great morals and values. I know of many lives they touched. They were loved and thought highly of by everyone who knew them.\r\n\r\nWhen I think back to my childhood some of my fondest memories were of the times spent with them. I remember staying at their house for awhile during every summer vacation from school. I could talk for hours about those times and the things we would do.\r\n\r\nThey went to Florida every year until Aunt Donna had some heart issues, they were able to go one more time and took me that year. That was a vacation I will never forget. I still have some of the shells Uncle Don brought back every year. We also loved spending time on Shelbyville lake together in their boat and going swimming, we did this many summers. I remember even the simplest things like playing with my barbies, or cowboys and Indians while sitting on their livingroom floor. ...my entire childhood is full of memories with them and are so heart warming to me.\r\n\r\nUncle Don, I missed not being around you in the past "several" years, and I wish I could tell you how dearly I love you. There is no one like you! - I know everything is in the hands of our creator and will continue to pray, I know many of us need peace because of the time we missed with you and not being able to tell you good-bye.. God is my refuge and my strength. He is my deliverer in the time of trouble. He is my hope in every situation.\r\n\r\nLinda, I am so sorry for the loss of your dad. I know how much you loved and admired him. He had been with you throughout your entire life. He molded you and gave you good morals and values. You were blessed to have such wonderful parents! I know he was very proud of you and all of his grandchildren.\r\n\r\nMy love to all of you,\r\nCarla (Henne) Stewart\r\n\r\n

“Dad!! Ron, I and your grandsons Graeme, Jess and Logan will miss you. You were always a wonderful grandfather to the boys and a loving, outstanding Dad to me! You are with Mom (Madonna) again and that is all that counts. It has been a rough 17 year for all of us, including you. You are now at Peace!! I will be sure that your 8 great grandchildren know all about you and Mom. You set such a good example for me and my family. We will always remember the great times we had on the many trips to Illinois, and yours and Moms trips to Utah. I have already had evidence that you are watching over me and for that, I will always be grateful!! May the perpetual light shine upon you and may you rest in peace!! Your daughter always, Linda.
