“ I am thankful for memories of our grade school years together. Pioneer grade school a small country school holds fond memories. I remember Joann as a happy person to be around.

Her mother invited me over many times after school. Riding the ponies on the trail behind their home was a fun and carefree time
My first slumber parties were at her new home in our teen years...
Times passes so quickly
Thank you Joann for being a very good friend..Rest in peace Dear One....Tru
