“ *Pam, I have fond memories of our grade school years at your house with Angie and your mom. I remember playing monopoly for hours, and we even ice skated in front of your house! Our Girl Scout troop was a blast, and your mom was there helping. Ten years after school, I worked with you mom at Lake Land for three years. I had a lot of fun talking to her and spoke to her daily. She always made me laugh. I had the opportunity to see her at church before covid. I was thrilled to see that she was still singing in the choir. I really enjoyed your mom!! Take care Pam and Angie. Lisa, thank you for your memories. So many great ones to be remembered. I had not thought of Girl Scouts for a while until looking back over Mom's life. We sure did have some fun with her always leading the way!

“ I will always remember the slumber parties during elementary school with Lisa Warrem Hoekstra, Pam, myself and Angie peeking in once in awhile. And I can still see Pam’s colorful winter coat Faye sewed herself. It was beautiful. Thanks to Faye for all her years helping with Girl Scouts, PTA, and so many school events. She will be missed and never forgotten. Jackie Ferree

“ *I am grateful to Faye Haddock for being so kind to Sally so many years ago at the pool. Sally was home in Mattoon and as she was healing, she would talk to Faye at Lytle, and I know it helped Sally so much. God bless the entire Haddock family...*

“ Faye and my Mom went to school together and were friends for many years. You always knew where you stood with Faye. She was caring, thoughtful and loved talking about Pam and Angie and their families whenever I would see her around Mattoon. My Mom just got her ice skating friend back and they will be having some great eternal memories to share with each other. God Bless Faye. Rest in Peace.

“ Faye was the Secretary for Student Life when I was the Coordinator for Student Life at Lake Land College 1990-1994. From the moment I stepped on campus until I left for another job, Faye was a wonderful friend. We sparred on politics, religion -- you name it, we likely had different views. She was great at keeping me on top of things when I got overwhelmed. She looked out for me, yet always had that stubborn streak that was uniquely hers. She cared deeply for the students at LLC who were giving of themselves to run the student organizations. R.I.P. 😞
