“ Hello Grandma, I wish I spent more time with you, but its too late now. You were the greatest Grandma. You always had a smile on your face. I'm sure you really have one now. Please say hello to David and give him a big kiss and hug from his little sister. I miss him so much and I miss you also. Life just isn't the same without you two. I love you! VPN61V9

“ A poem for you mom:\r\n\r\n" I thought of you with love today, but that is nothing new. I thought about you yesterday and days before that too. I think of you in silence, I often speak your name. All I have are memories and your picture in a frame. Your memory is my keepsake, with which I'll never part. God has you in His keeping, I have you in my heart". Mom, I love you with all my heart.

“ Mom, I am going to miss you so much. I miss you already. You were the most beautiful person I have ever known, the best mother any child could ask for. You were always so kind, understanding and ready to help at any given moment. Thank you for teaching me right from wrong and how to show love to others. I will always remember our trip to Hawaii when David was just 4 months old. We had so much fun on the airplane. Now you are with daddy and David. I know you are well and smiling now. Mom, you were a very gracious and special lady. I will always love you and will never forget you.
