“ *Dearest family, My memories of Geneva are many. She was one of my mentors growing up . She was just beautiful. I remember her lovely style. With Long painted fingernails, silver jewelry, every hair in place and dressed like A million bucks I would watch her go off to work at the mattoon golf & country club. People loved her service because she was impeccable. She delighted in her two boys. I will always remember her pretty toothy smile and her boys sure made her show them. She will be remembered in my heart as a lady ahead of her time. love and prayers for all the family sincerely
Becky (pasha) Craig p. S. she was like a sister to my mom (Rose & aunt baby blanch and I remember them drinking coffee and talking for hours.*
