“ I didn't know Hattie but we shared her grandmother/ my great grandmother, Jemima Brosam who was known to the whole family to have prayed for her children, her children's children (including Hattie), her children's children's children (including me), and all the generations down the line until the Lord comes back! Thankful for our heritage and future! Praying the family will each know "the peace that passes understanding" in the days to come. 🧡🙏🧡✨
