Jack or partner he would say was a man with common sense, integrity and a fantastic sense of humor. Working for Jack was a good growing period for me and he was an intricate part of my business development. That period of time I worked for him was one of the most gratifying times of my career. He will be missed.

“ *Like many others at the old CIPS, I worked with and for Jack..& played some (golf) too! He never failed or disappointed me in any respect. What a good man he was, and a real no doubter to get his heavenly reward.*
