“ *Jack was a man who know what was to be done and seemed to stop in logical spots to allow for continuation with a project the next day or later - had some traits that helped him be a great employee for the coop over the years with little time wasted looking for documents. Occasionally wondered if he was reading my mind if asking for something couldn't explain very well to Jack!. God bless his family and enjoy his memories ! Rick Phelps*

“ *The staff and I at the Mattoon Chamber would like to extend our heartfelt sympathy to your family in the loss of Jack.\r\nOnce a month over the past 13 years, we were honored with his stories and learning lessons from his life experiences, while always sharing stories of his family with a smile..\r\nHis passing is a void that cannot be filled. We will miss him greatly. His time volunteering at the Chamber surely made the staff and I richer..\r\n\r\n\r\n*
