“ Dear Kelly,

I am so sorry to hear about your dad. I spoke to him around Christmas last year when he called to tell me about your mom and Sean. I am just so sad that they are gone, and you are having to go through this. Even though time has gone by, and I have been so far away, I have always loved your family and have thought of them often. Every Christmas Eve I think back to when I was little and how my family spent that wonderful night with all of you for so many years. You, and your family are in my thoughts and prayers, and please let me know if there is anything I can do.
