“ *It has been one year today, but it seems like 10 with you gone. There isn't a day that I don't miss you and think about you. Today I remember what a wonderful person you were, and what a wonderful family you had. I see you in Kasey in so many ways. You have brought out so many good qualities in the people you were able to touch. You were a mother and a confidante to me, and I thank you for all you have given me. You have opened my eyes to new opportunities and that life just isn't our daily routines, it's so much more. Watch over us, for we need you in our life. I am at peace knowing that you are painless and in a better place. I love you and miss you so much. I can't wait till the day we are together again. Love you mama jan!*
