“ Jason, We have known each other all our lives. I sure will miss you. I am glad that you knew the Lord and take comfort in knowing you are with Jesus now. I was reading my baby book and was seeing where my mom wrote how I would steal the butter off the table at Maw Webb's house and You and I would hide behind the couch and I would take a bite and give you a bite. I'll bet the butter in heaven taste much better. I will see you again one day. Take care Cousin.. I love you Tony
