“ *I met Jack a few years back at a Celtic music week at Boston College. He was my roommate for the week. What an amazing man! It is June 15, 2015 and I came across a card that he had sent me after our week together. I googled him and found the obituary. I am sorry for your loss. He as a good man. I wish I could have known him longer! p.s. I still play a fiddle song called Jerry's Beaver Hat that he gave me. His memory lives on in song!*

“ *Sean: Again, I am so sorry about your loss. I wanted to come by the funeral home tonight, but didn't think my daughter (soon to be 5) would be good at a visitation. My thoughts and prayers are with you at this time.*
