“ *Leanna & Family-\r\n\r\nThis comes with our deepest sympathy of the loss of part of our cherished family. May you look to the Lord for his guidance throughout this trying time, and know that Kayla is now beside him, following in his footsteps enduring his love. Over the years, I hope that you will someday understand why the Lord chose Kayla to be with him now, instead of with you. Know that she will have his enduring love, and that she is now, and will always be a big part of our lives. Find it in your hearts, to cherish her memory instead of mourning her loss. I hope that the memories you have of her will guide you throughout life until the day we all meet up with her in Heaven. She is now in a beautiful place.*
