“ Sounds like Kenny exited this life at far too young an age. Thankfully our Lord knows the time and purposes that we have on this earth. Though we didn't get to cross paths with Kenny personally, we sure enjoyed the FB posts and know we would have enjoyed many commonalities with him. Most of all we are so very sorry for your families' loss and pray that his funeral tomorrow gives you comfort and peace at this time as you reflect on him and his purposes while he was on earth. \n\nHugs!
