“ Lori welcomed me into their home from the first moment we met. She was so kind and always wanted to hear what was going on in our lives. She made us all feel so special. She would have us over to her house for a holiday meal where she had spent hours making pies, cakes, appetizers, main dishes and sides. Making it all look so effortless. Her superpower was her generosity - whether it was through her love, kindness, cooking and support. We will all miss her and I will honor her each time I make one of her delicious recipes. May she Rest in Peace.
