“ *To Lorraine's family,\r\nI am sorry to hear of your mother's passing. What a wonderful person she was. I worked with her at the hospital and also at Lincolnland VNA and never was there a more considerate and hard working, dedicated individual. You are in my thoughts and prayers.\r\nDea Greathouse*

“ *Lorraine was a super person. I have only known her a couple of years. I was a maintenance person at her apartment building. Lorraine was always so nice to me and always asked about my wife. I have lost a great friend.*

PS

“ My deepest sympathies to the family of Lorraine. She was an amazing woman. Lorraine worked for me here at Odd Fellow Rebekah Home for many years. She was a faithful servant to God and always put him first in her life. She spoke often about her children and grandchildren and was so proud of each of them. Prayers of comfort and strength to the family. This is such a loss for all of us here at Odd Fellows. She will be dearly missed and we will continue to read her books to the residents.
