“ *I want to express my sympathies to Rosalie's family. She and I shared the same birthday and when I was a little kid, I thought that was really special. She was such a beautiful young woman and I always wanted to look like her. She was always nice to me and I still have fond memories of visiting her in Newton when she worked at the "dime store". She would take me for ice cream. I'm glad her suffering is over and I know she is at peace.*
