“ *Tom and family,\nDave and I were so sorry to hear of Janes' passing. I have many fond memories of when we were both at the Mattoon Antique Mart. She was a wonderful person and a pleasure to work with. I hadn't seen her in quite some time but I will remember her the way I saw her last. She always had such a wonderful, caring quality about her. May God give you and your family the strenth to cope with this. My thoughts and prayers are with you.\nDave and Linda Riddle*

“ *Rich and I would like to express our sympathies to Tom and the rest of Jane's family. We had a lot of fun at the Kane County Flea Market and I will always cherish the memories of those good times--especially when the wooden ironing board flew out of the back of our van on our way to dinner.*

“ Dear Tom and your children and grandchildren. \r\n My sympathy and love to each of you.\r\n Jane was 1 year older than me. As cousins,we played together many Sundays. I always admired her poise and ability to communicate. Just a year or so ago, at a family reunion, when asked about her nursing work, Jane made the comment: "You know something: I have found working with the 'down and out' more worthwhile that with others." Does this remind you of the present pope?
