Neeley Davis Shepard, age 50 of Las Vegas, NV, formerly of Mattoon, IL passed away at 3:00 PM, Thursday, June 20, 2024, at Infinity Hospice Care in Las Vegas, NV.

A funeral service in her honor was held on June 28, 2024, in Las Vegas, NV. Mitchell-Jerdan Funeral Home, 1200 Wabash Avenue, Mattoon, IL 61938 is assisting the family.

Neeley was born on November 6, 1973, to Richard S. and Judy (Davis) Shepard. She is survived by her father, Richard Shepard and his wife Millie, of Mattoon, IL; her mother, Judy (Shepard) Noeau and her husband, Brian of Las Vegas; her son, Nicholas Scot Green II of Las Vegas; her husband, Nicholas Scot Green I; and many close aunts, uncles, cousins, and friends.

Neeley was a 1991 graduate of Mattoon High School. She was a student at Southern Illinois University in Carbondale, IL for three and a half years.

She was previously employed as a Game Announcer in poker tournaments in multiple casinos in Las Vegas.

Neeley lived an active life full of adventure and fun prior to her death from breast cancer.

Days prior to her death, the following message was given to her: Neeley: Death is not the end, but a gateway to a new life in GOD through Resurrection. In the end, the promised Resurrection transcends all human circumstances, offering hope and renewal to all. But to not be blotted out of the Book of Life on the Day of Final Judgement, you must first repent of all

sins committed in this mortal life. Secondly, Accept Yahusha as your savior and messiah and agree to a new beginning by placing Him first and following all His commandments.

I pray Neeley followed these words.

“ So sorry for you loss. Me and Neeley were childhood friends. My dad worked for her dad. We lost touch as we grew up but I thought of her often. Knew she went to Vegas but didn't know how to contact her. We had our graduation party at her house. We went to school together from kindergarten through high-school. I used to wait for Judy to do her hair for us to walk to school together. Went on couple of camping trips with them so she'd have someone to play with. Lots of wonderful memories. Neeley was my first niece. I still remember babysitting her when she was so little and I was only 10 years old. I was always very excited to hear about her life from my sister as I grew away from the family and moved away. She came out to Vegas where I was at. Our busy lives didn't allow for us to see each other that often but she was in my mind and in my heart so much. When she became a mom that little boy was her whole world. Little Nicky she lived for him. My sister loved her so much. My love for her will go on and on and the memories and the laughter. I can still hear her say my name and can feel her laughter.
