“ *Miss Randolph was not only my teacher, and such a wonderful and kind one, but cousin to my friend Debbie Kramer. Debbie, I am so so sorry for your loss! I didn't get to see you both out very much, but was so happy when I did. I'm sure this will leave a large hole in your heart! She was always such a kind and easy going person. I wish more people were like her! You have been in my thoughts and prayers for several days - I hope and pray the coming days will give you comfort knowing she was so loved by so many. I'm out of state today, or would be there to say goodbye.*

“ *I worked at the Animal Clinic that Pat brought her precious JJ into. Over the years, and because she was in so often, she became more of a friend than a client. She was such a warm and fun person, and I loved visiting with her. She was also very generous, always treating the staff at the clinic with goodies and gifts as a thank you to us. There are a few people you encounter in life that make such an impression and influence your life in a positive way. People that you love to be around, and that you will never forget. Pat was one of those people. Her long battle is over, and she is rejoicing in Heaven!
I will truly miss her, Connie Kille*

“ Patti was our Sunday school teacher when I was a kid at Hopewell Baptist Church. She grew up in Johnstown with Dad and they remained lifelong friends. Always enjoyed her sense of humor. She will be sadly missed.
