“ Rest in Peace Phylliss. You changed my brother for the better, I thank you and love you for that. We were hell on wheels till you entered his life. And the positive change was amazing. At first I didn't know what to do when I lost my older brother to you, but you loved him with all you were and I Thank you. You were easy to get along with and talk to. You were quickly accepted into our family. Your daughter Angie adores my brother Chuck and has always had the most respect for him, even calling him dad at times. You will be missed, but at least you suffer no more.
We love you. Kevin, Jessie, Crystal, Rheanon, and Mia
