“ *Maggie and John, Ruth was such a dear friend. Maggie, I met you when she was in the hospital a few years ago, and John, we met when Ruth and I drove through Oklahoma on our way back from Arizona, also several years ago. We had been in Sedona for a painting class which is how we originally met and became friends. I moved to Wisconsin twelve years ago so didn't see her often after that but we had lunch three or four years ago. I have been somewhat concerned since I hadn't heard from her and when her Christmas card was returned today I decided to pursue it. I was afraid maybe she was ill but had no idea she had passed away. I just cannot tell you how very, very sorry I am. She was one of the sweetest people, and also interested in so many things - painting, sewing, history, travel. We had some really good times together and she will be missed. My heartfelt sorrow for you both. Carol Anderson*

“ Our family knew Dick and Ruth thru Bert Landes teaching with Dick at Jefferson. The guys had a good relationship and always had fun as well as enjoying their teaching. I, as Bert's wife, (Judy) knew Ruth thru our fun of knitting together and visiting in our homes.

Would like to extend our sympathy to both of you, Maggie and John. You had great parents and a lot to be proud of. I know they will be missed but sure you have great memories of your times together.

“ Ruth was truly a member of our extended family. She was always one of the places I stopped at when I was in Mattoon. She was a big part of my wonderful memories of growing up in Mattoon. She was a great part of the Friday lunch bunch. Losing Ruth has now closed a chapter of my life. My thoughts and prayers are with Maggie and John. Your Mom was a wonderful woman and friend of our family.

“ We send our deepest condolences to Maggie and John and all of Ruth’s loved ones.

As you know we were blessed to share some incredible travels with Ruth. It was wonderful being with Ruth the day she discovered many of her Provine family members in a cemetery in Provence, France.

Her ongoing zest for learning was remarkable and made her an interesting and beautiful person to share time with, ALWAYS!!!

“ First let me say my heartfelt sympathy goes out to your whole family. Ruth and Dick were two of my dearest friends in the years I spent in Mattoon. I'll share a sweet/funny memory with you: It was Dick's birthday week and the MJHS teachers always exchanged silly cards, so I'd bought a card for Dick and was sitting in the cafeteria before school drinking a cup of coffee and writing a message in the card. I'd just begun when Dick came through from the band room. "Hi, kid, what ya doin'?" he called out. "Writing in your birthday card." "Great!" He pulled out a chair and sat down. He dictated a few things he thought I should write. I followed directions. Then put the card in the envelope and sealed it. "Seal it with a kiss" he said with a chuckle. So I kissed the back of the envelope leaving a lipstick kiss. I wrote S.W.A.K. under it and handed him the envelope. He chuckled all the way to the teacher's lounge. Apparently he took his card home and set it on the kitchen counter where Ruth was sure to see it. After about a week Ruth went down to the basement to his workshop and asked him, "Aren't you going to open that card in the kitchen?" "Oh, yeah, I forgot about that one. Why don't you go get it and open it." She ran up and got the card and brought it back down. She frowned at the S.W.A.K. on the back then tore it open. He face broke into a smile. "Ohhh, it's from Sharon!" They both had a good laugh about him trying to make her jealous. They were hilarious!! I loved them both so very much. She will be missed. I'll send a donation to Lincoln Log Cabin in her memory. My love to Maggie and John and all of your family. You come from an excellent gene pool!! Sharon Skaggs, art and science, MJHS.

“ *Mrs. I was a lovely and kind lady. I talked to her several times over the last few years when I would see her at Charleston Community Band summer concerts. At some point, the band would play a tune that I had played under Mr. I's direction in junior high band and she and I would reminisce about those days. Once or twice, I found them exploring the pre-civil war cemetery next to our home outside Effingham prior to Mr. I's passing. Just two really great human beings. Sending love to you, Maggie.*

I had the pleasure of working with Dick Isenogle at Jefferson and Mattoon Junior High and got to know Ruth too. Later we quilted together. She had so many interests and loved to learn--and oh that beautiful smile!

Ruth and I went to Paducah during the annual quilt show and on one trip we went in the fall just to tour the town and visit the quilt museum. We had a room overlooking the Ohio River. She was great fun and such a talented quilter and knitter. Marianne Morgan

Condolences, Maggie & Jon; Such good memories over so many years. I jokingly called us the Lawrence County girls since we had both come from there. Ruth & Richard were first friends with my parents and we all attended the Methodist Church in Mattoon. Later, I taught Maggie in one of my Sunday School classes, Ruth and I were in the Genealogy Society together, and I was one of her housekeepers. I'm so glad we got to visit the day before she moved away. I miss her.

Dear Maggie & John, given how many years have passed, you may never see this message, but in case you do... Your mom holds a special place in my heart and memories. By the clock and calendar, the time we spent together was short, but her warmth and caring for me as a kid left an indelible MOM mark written large in the actions of love and caring (and adventures). We managed to visit a few times later on, but family trips back to Mattoon were few. I hope you and your loved ones are well, and am grateful Ruth was part of my early life experiences. Thank you & well wishes, Shannon James (the toddler in your house 50 years ago)
