“ *I met Terry when she was 14, so I have countless memories of the times we shared. I was her "Aunt Linda", although we weren't very far apart in age. I am saddened to hear of her death. For Gerry, I can only imagine your heartbreak. It is every mother's nightmare to lose a child, and I am so sorry you are going thru this. For Tim and Tommy, my prayers and wishes that you can remember the good times and cherish them. For her husband, who I didn't get the chance to meet, I am so sorry for your loss. For Jessica and Mitchell, who I haven't seen in 9 years, the last time I talked with your mom, she spoke with pride and joy about both of you. You know your mom will be guiding you from above, and will stay in your hearts forever. For Terry, I am soooo sorry, Terry, that you are no longer here. I know you are in a better place where there is no pain and suffering, and will forever watch down on those you love. I will always be your "Aunt Linda", and will miss you. May you rest in peace.*

“ *Through the pain and loss you feel
You can lean on us for support
We will be with you, in spirit
And in mind and heart and thought
And though it will be difficult
In the days ahead of you
Try to face the future bravely
As Terry would want you to.
Forever in our hearts.*
