“ Deb, Ryan, Jamie & Brent,
Working with such a great man for 35 years there are sooooooooooooo many great memories I can't name them all. Tim was my go-to and fix-it friend, from my glasses to my copier and anything we needed fixed at home, all I had to do was bring it to work. The best memory I have is how much he LOVED his family. Tim was a person that was always wanting to help someone or fix something. There are no words to express how much he will be missed. My heart and prayers go out to each one of you.

With love,
Loretta & Ed
