“ *Tina and I were friends during high school. Tina always brightened my day and kept me laughing. We lost touch with each other after school, but I have great memories of her and always will. We use to go cruising in her blue GTO. What fun. God Bless you Tina. You will be missed.*

“ *Tina will always hold a special place in everyone's heart; however she will always be a sister to me. So many times I wish I could have been around more for Tina. Regardless she was always in my thoughts and prayers.\r\n\r\nRest assured that Tina is in Heaven looking down on all of us and sending her love. \r\n\r\nEach time that you look at Ashley you will see a little bit of Tina. However instead of shedding a tear for Tina, smile because Tina has left us a beautiful gift - Ashley. \r\n\r\nMy love and prayers are with you, and I'm only a phone call away.\r\n\r\n*
