*My name is Victoria Arthur and I was friends and classmates with tina back in the 80s. We use to hang out back then. I'm in complete shock. Sorry I couldn't be at the memorial service today for her. I take care of my mom. I wanted to know if you would send me some pictures of her on my messenger. My messenger is the one with the picture of my mom and I under Victoria Arthur. I wish I would have stayed in touch with Tina. You and your family are in my thoughts.*
