“ Victor was one of the best. We met at T/M in 1978 we had our disagreements all brothers do. We had so much fun on and off the job. Vic would literally give you the shirt off his back if you needed it. He still missed his T/M family. We never parted without saying love you brother. I will miss you and I Love You Brother !

“ The best one was when I took Vic to my one of Gina's and I favorite fishing spots. It was out by the edgar county airport. I knew there was some very large bass in the pond but i never had much luck at the big ones. But the first time I took Vic he caught two atleast 4 lbs or bigger right off the bat!!!! Of course he put them on a stringer and to this day I knoe he really thougth I turned them loose because I was jealous of him catching those....but really there was on of the largest snapping turtles in this pond anyone had ever seen and I know that is what must have happened to them because the stringer was gone as well ... but he always gave me crap because he thought i turned them loose.... I will miss Vic and always the Gina too..... the smiles those two had when they were around each other were unbelievable!!!!
