“ *Vicky was a true friend where we were at Mattoon High School. I just remember her quick wit and being such a fun person to be with. She will be missed by many I'm sure. My sympathy goes out to all of her family and friends.*

“ *Vicki was one who I could always count on as a parent at Bennett. She always was willing to go the extra mile to help out. Often she went on field trips and once she helped me take a group of students to Nebraska for an award the Bennett Bees won. To top all of this she was my friend and I am a better person for having known her. She will be missed by so many but her memory will live on for years to come.*
