“ *Jean Marie, Brad, Kris, and Kurt,*

Please accept my condolences and those of my sisters, Teresa and Sandy, on the passing of your mom. Your mother and father were key figures in our mother's life and consequently in our lives. Of all the jobs our mother held in her lifetime, her time at Diepholz trucking was the best. She felt comfortable and valued in the family atmosphere that was present on East Route 316. There were hundreds of little things your dad did for her and us during those years that went above just paying her a salary. Bosses who become friends, along with their families, are rare and special people.

May God Bless You!

“ I was Jean and Kurt's hairdresser for the last 6 years after her long time hairdresser and friend, past away. I always enjoyed going to the house, cutting hair and visiting. Jean was a lovely lady who shared stories from the past and loved having company since she wasn't able to drive anymore. She always asked about my family, having known my mom for years, sometimes I would bring her with me to visit as well! She always loved to see my daughter too...she'll be missed. Sorry for her loss
