“ Neil and I graduated from school together. I remember him as a very quiet, shy person, but would see him with Elvin cracking a smile and laughing from time to time....\r\nAfter we graduated, I am embarrassed to say, I never saw Neil again. I am incredibly sorry for the loss of Neil.\r\nThinking of you at this time and again, very sorry.\r\nChris Jackson, Neil's classmate. Class of 1983

“ Neil was always over at his Grandparents while growing up, and he and our 3 sons, Curt, Chris and Ryan would spend lots of hours going across the field, spending countless hours fishing or playing in the woods. Our heartfelt prayers and sympathy are sent to Mary and family.
