“ *Our thoughts and prayers go out to Bill and the entire Mullen family. I have so many wonderful memories of Bill and am thankful for all he has done. I'll never forget the Glory Days with Bill as my T-Ball coach for our 3-time undefeated Eagles team and the first and only time I was on a team where we turned a triple play! The "Bill Mullen" 1-hand, 1-foot shot became a normal shot in the game of HORSE and has been shared amongst my friends and helped me win numerous games! I am grateful as many have been to have known Bill and for the many wonderful memories that will live on!*
